## Description:-

Crochet is great for recycling materials, reducing costs and as a hobby to help anxiety and hyperactivity! I can support your confidence in crocheting, teaching basic stitches, helping you work towards a project, or reading a pattern. Let me know if you have specific stitches, you'd like to learn. Right or left-handed, I can help you find good tutorials and patterns. I can loan hooks and yarn if you're local (England).

## Detail

I can crochet multiple accessories; bags, flannels, hats, scarves, toys and clothing. We can finger crochet or crochet traditionally. I can teach multiple stitches and methods, (sc, dc, tc, Tunisian, basket weave, colour changing). I can offer adaptive support if you have mobility issues.
