Description:-

I played a few months many years ago, but I was never graded, and I'm very out of practice, so beginner support is ideal. Tuning, posture and sheet reading (I learn by ear better, though). I want to work up to playing a specific complex song from Gundam Wing (<https://www.youtube.com/watch?v=dWz2BWGxqMI>); I think a guitar music sheet is available for this.

Detail

Are you a flexible teacher up for a challenge? I have EDS (which causes dislocations); therefore, I'd like to find a more accessible way to play the violin (perhaps similar to how Gaelynn Lea plays).
